CUT CITY

Narcissus Can Wait 12"

Released: February 2009

INFO

CUT CITY formed in 2002 around the local Deleted Art label, sort of the swedish counter-part to U.S. art-punk imprints like Three One G and Tapes Records. In May 2005 they issued a 4-song EP on the california-based Gold Standard Labs label, home to such acts as The Locust, Year Furture, GoGoGo Airheart and many more. Drawing comparisons to groups such as Echo & The Bunnymen and Joy Division as well as newer bands like Moving Units and Franz Ferdinand they at the same time echo the past as much as the future. In February 2007, Cut City released their debut full-length, Exit Decades, through Gold Standard Labs.
